PCRB Case No 1708 – Call for Remedies CT2404/2021 Works Trenchless Rehabilitation of Wastewater Networks at Telghat ix-Xemxija by Means of Cured in Place Pipe Technology for the Water Services Corporation

The Public Contracts Review Board, having noted that the Contracting Authority wishes to cancel and re-issue the tender resolves:

That it will not consider the call for remedies any further.

Under the circumstances, this Board recommends that the deposit paid by the Appellant, when filing the objection, will be reimbursed.
