

Public Contracts Review Board

Errata Corrige regarding:

Case 1249 - CFT 021-0384/2018 - Tender for the Supply of Sterile Solutions for CRRT Machine on Pay-Per-Use Basis.

The Public Contracts Review Board would like to notify that paragraph 2 on page 7 should read as follows and not as inadvertently stated:

“During the second public hearing, Dr Alison Anastasi explained and confirmed in a clear manner that, the inclusion of lactate should not be the reason for the rejection of appellant’s offer and also confirmed that the sterile bag offered by Drugsales Limited, is in use and clinically compliant, so that, this Board opines that appellants’ offer was fully technically compliant”.

Any inconvenience is regretted.
