

Public Contracts Review Board

Errata Corrigé regarding:

Case 1400 – CFT 020-0390/19 – Tender for the Supply of Readymade Preterm Formula and Readymade Formula Suitable for 0-6 Months

The Public Contracts Review Board would like to notify that the second paragraph on page 5 should read as follows and not as inadvertently stated:

"The Other Party claim that the Board has no competence to go into the merits of the costs when it is yet obvious that costs of one eurocent are totally unrealistic. The Board should realise that there is a hidden agenda in a race to the bottom to corner the market through parents sticking to the product after leaving hospital."

Any inconvenience is regretted.
