

PUBLIC CONTRACTS REVIEW BOARD

Case 1844 – CfT/020-1174/22 – CPSU 6997/22 – Supplies – Tender for the Supply of Automated Filling Sets and High Pressure Patient Connecting Lines

Decision dated 29th March 2023

ERRATA CORRIGE

Page 4 of the Minutes paragraph 9 should now read:

Mr Edmond Balzan (472665M) called to testify by the Contracting Authority stated on oath that the second grievance was inapt as the single use of the product prevented this. He again demonstrated the locking procedure which had been tested under 300 psi conditions.
