

**IN THE PUBLIC CONTRACTS REVIEW BOARD**

8th February 2024

**Re: CPSU 2494/2023 - Tender for End Disposal Service and Export of Hazardous Clinical waste**

Reply of the **Central Procurement and Supplies Unit (CPSU)** to the objection lodged by PT Matic Ltd (the objector).

Following a call for tenders with reference number CPSU 2494/2023 for End Disposal Service and Export of Hazardous Clinical waste, an evaluation was carried out and a recommendation was made in favour of Green Skip Ltd (the recommended bidder)

The Objector's offer was also found to be technically and administratively compliant, however was not the cheaper prices offer.

The objector basis its objection on the claim that Green Skip's offer was not technically compliant. CPSU rebuts the claim of the objector which are unfounded and which are highly speculative.

CPSU however intends to cancel the call for tenders in caption since it was intended as an interim call to acquire the service until a contract for a longer duration is in place.

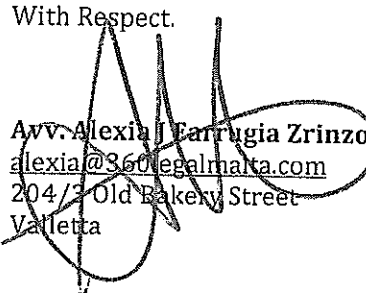

The call for a longer-term bears reference number 2232/2021 and was suspended due to an objection before this Honourable Board (Case 1802 decided 3<sup>rd</sup> February 2023), a re-evaluation and a further objection (Case 1960 - decided 1<sup>st</sup> February 2024) which was however withdrawn.

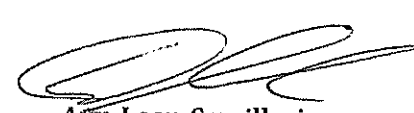

Since the case number 1960 was withdrawn and this Honourable Board did not consider the objection, the decision of the second evaluation is definitive and a contract in accordance with their recommendation for tender number 2232/2021 can be concluded, for a long term.

The service as requested by the present interim call CPSU 2494/2023 is therefore no longer required since the main contract will be in place. This service cannot be operated under 2 separate contracts and thus the call CPSU 2494/2023 cancelled on the basis of 18.3(b) of the General Rules Governing Tenders - (b) the economic or technical parameters of the project have been altered.

CPSU therefore requests that a decision is given without holding a hearing unless otherwise objected to by the objector or any other interested party, in which case CPSU is submitting itself to the decision of this Honourable Board.

With Respect.
