Reasoned Letter of Reply

Dear Sir/Madam,

**Re: Objection QLLC/08/2023 – Tender of the Collection of Bulky Refuse
in an Environmentally Friendly Manner.**

I write on behalf of MJ Trading Limited C 84544 with its' registered address Block B, Flat 5, Triq Tac-Cawla, Rabat, Ghawdex VCT 2271 (hereinafter 'Winning Bidder') and make reference to the objection made by Sultech & Co (P-1477) (hereinafter 'Appellant') regarding the decision of the Contracting Authority taken, pursuant to the tender in caption.

That the Contracting Authority was correct in its decision since the tender was adjudicated and awarded according to the Public Procurement Regulations.

The Winning Bidder's application was technically compliant as per the tender document specifications. It is manifestly false the submission tendered by the Appellant that the Winning Bidder will subcontract the tender to third parties. That the necessary vehicles satisfy the tender specifications as these are all covered by the necessary ERA permits.

In light of the above facts, the Winning Bidder humbly requests that the board confirms the decision taken by the Contracting Authority.

Your sincerely

Avv. Daniel Calleja
